DELIVERY

Delivery is arranged on an individual basis with each employer to meet their needs. This can either be in the workplace, at our facility at Bolton Arena, or a mixture of both and will be through a combination of both day and block release.

NVQ's are assessed in the workplace on a competence basis. The technical certificates will be assessed through continual assessment, end of modular tests and presentations.

QUALIFICATIONS GAINED

The Apprenticeship in Sport & Leisure (Operations) provides you with the following qualifications;

NVQ Operational Services Level 2

PROGRESSION

The course offers you a specialist work-based qualification to support a career in sport and recreation or to progress onto studying for an NVQ level 3 in Sport, Recreation and Allied Occupations or related subjects such as hospitality.

With further training, you could continue to develop your career in sport and recreation by working as a Sport and Exercise Instructor, Trained Lifeguard or working within government to develop sport and recreation.

The course is work based which means you can earn and learn at the same time whilst developing the skills, understanding and knowledge that many employers are looking for.
